

ACOUSTIC SOUND ENVIRONMENT

Task 1

What is the weather like?

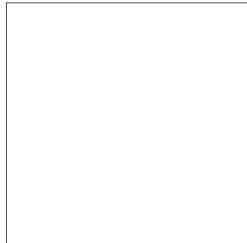

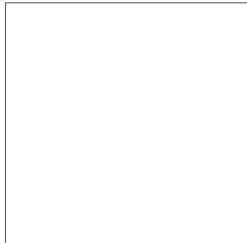

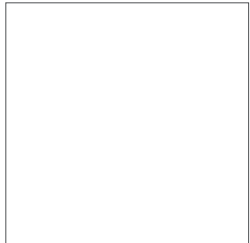

Please describe what you heard.

What does what you heard remind you of? What associations do you have with it?

Task 2

You have several colors to choose from. Which colors would you assign to the acoustic sound environment you heard?

Please select up to three different colors.

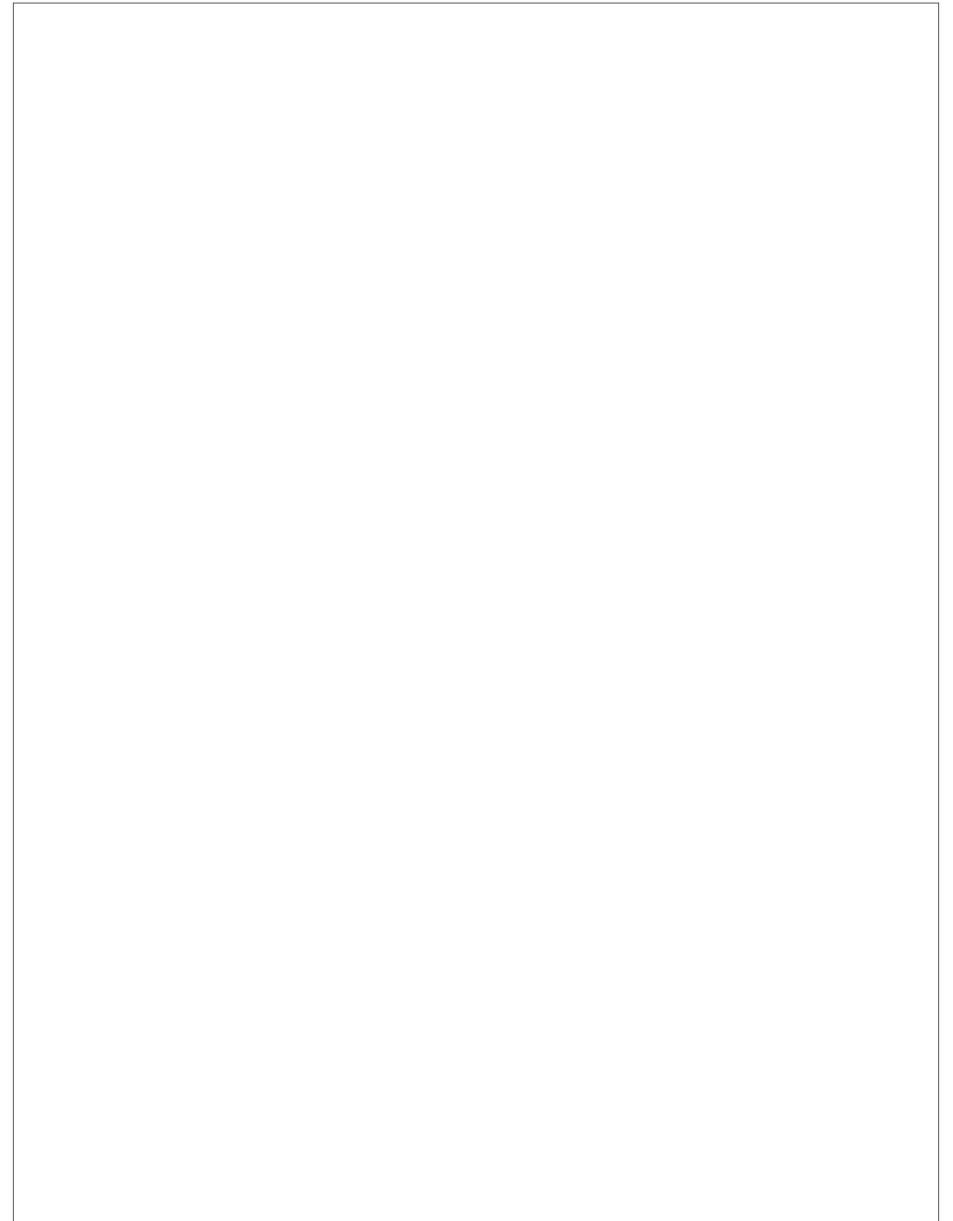

Task 3

Take two minutes to visualize the acoustic sound environment.

You are completely free in how you choose to draw it.

Use felt-tip pens and draw whatever comes to your mind.
